Speakers' Disclosures

Dr. George Jaskiw has disclosed a consulting honorarium from *Guidepoint Advisors Intracellular Therapies*, Investor in *Intracellular Therapies*.

Conference Description

UMANA's XLIV Scientific Conference is dedicated to advancing the practice of rehabilitation medicine in Ukraine. This is especially urgent due to the ever growing number of military and civilian casualties of the Donbas war. The need is great not only to rehabilitate the injured, both mentally and physically, but to reintegrate them back into productive society.

Desired Learning Outcomes

At the end of this conference, participants should be better able to describe the state of rehabilitation medicine in Ukraine, the impact of PTSD on rehabilitation efforts, and strategies for increasing our diaspora's collaboration with their Ukrainian colleagues.

Target Audience

This conference is intended for primary care physicians, all specialties, nursing faculty, occupational and physical therapists, residents, students.

Accreditation

The Ukrainian Medical Association of North America designates this live activity for a maximum of *25 AMA PRA Category 2 Credits*

Planning Committee Disclosures

UMANA planning members involved in this CME activity disclosed that they do not have any relevant financial relationships with commercial interests.

Andrew Ripeckyj, MD—Course Director UMANA
